SENATOR BLACKBURN is now quite sure that no man nominated by the Frankfort Machine can be elected. He was just as sure of it before the same Machine flattened him out in the Senatorial trot.

THE foreign commerce of the United States for April aggregated \$251,000,000, of which \$107,000,000 was in imports and \$144,000,000 in exports. UNDER the caption, "Indecency Run Riot," The Louisville Herald administers a stinging rebuke to one of its contemporaries. When the people of Louisville, says The Herald, who read The Times, glanced at its first page yesterday afternoon there came over them that indescribable feeling which is a mixture of surprise, anger, disgust and shame.

Driven from his home state by the persecution of political enemies, who are still hungry for a part of the \$100,000 reward, W. S. TAYLOR will find on the first page his portrait, and under it the caption, "Declines Home-Coming Invitation."

In the midst of a festival that makes the hearts of all true Kentuckians rejoice, The Times takes occasion to thrust a political knife into the very heart of the spirit of the occasion.

While Kentucky is trying once more to have its children live in peace around its heartstones, The Times deals a brutal blow to one whom it knows to be innocent of crime, and who is an outcast from his state solely because of persecution.

One can scarcely imagine any one approving of this outrage on propriety. It is humiliating to the good people who have tried so hard to make the "Home-Coming" of our sons and daughters an outpouring of the "heart" and not of the "hate" of the good old Commonwealth.

HE WAS.

A publisher who occupies a loft in Seventeenth street directed one of his clerks to hang out a "Boy Wanted" sign at the street entrance a few days ago, says The New York Sun. The card had been swinging in the breeze only a few minutes when a red-headed little lad climbed to the publisher's office with the sign under his arm.

"Say, mister," he demanded of the publisher, "did youse hang out this here 'Boy Wanted' sign?"

"I did," replied the publisher sternly. "Why did you tear it down?"

Back of his freckles the youngster was gazing in wonder at the man's stupidity.

"Hully gee!" he blurted. "Why, I'm the boy!"

And he was.

Some of Hix Paril's friends imagined he was innocent, but he himself knew a trick worth two of it.

THE REASON WHY

But Rule Doesn't Always Apply to Maysville Women

A problem which has puzzled wise men for years is settled at last.

Dr. Doty, Mayor Dunne's traction expert of Chicago, has settled it. He has figured out why it is that women always get off streetcar backwards, and has published a special bulletin announcing his conclusions.

Like all great discoveries, it is extremely simple.

According to the bead of the Referendum League whom Chicago employs at a salary of \$300 a month, this dangerous feminine habit comes from the fact that women persist in carrying their "bundles and babies" on their left arms.

If they would only carry parcels on their right arms they would alight properly.

But if you will observe 20 Maysville women get off a streetcar, it's dollars to strawberry shortcake that 17 of them will land "hind side afore," bundles and babies or no babies and bundles.

There is one thing that you can bank on—the present day young women are keener, brighter and better looking and more self-reliant and less dependent. They all take Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. J. Jas. Wood & Son.

BUILT UP HER HEALTH

SPEEDY CURE OF MISS GOODE

She Is Made Well by Lydia E. Pinkham's Vegetable Compound, and Writes Gratefully to Mrs. Pinkham.

For the wonderful help that she has found Miss Cora Goode, 255 E. Chicago Avenue, Chicago, Ill., believes it her duty to write the following letter for publication, in order that other women afflicted in the same way may be

benefited as she was. Miss Goode is president of the Bryn Mawr Lawn Tennis Club of Chicago. She writes:

Dear Mrs. Pinkham:— "I tried many different remedies to build up my system, which had become run down from loss of proper rest and unreasonable hours, but nothing seemed to help me. Mother is a great advocate of Lydia E. Pinkham's Vegetable Compound for female troubles, having used it herself some years ago with great success. So I began to take it, and in less than a month I was able to be out of bed and out of doors, and in three months I was entirely well. Really I have never felt so strong and well as I have since."

No other medicine has such a record of cures of female troubles as has Lydia E. Pinkham's Vegetable Compound.

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacement of organs, inflammation or ulceration, can be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Her experience is very great, and she gives the benefit of it to all who stand in need of wise counsel. She is the daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Address, Lynn, Mass.

WE ARE SELLING MORE HIGH-TONED

CLOTHING

Than ever before. It may be due to our splendid offerings; it may be that others are selling less. It is hard to get by that dependable H., S. & M. for men or that mother-admired line of Ederheimer-Stein (extra good) for boys. Each line, by individual character and respective merit, wins customers, and ours is the only store in Maysville where they may be found. INTEREST IN THE WHOLE FAMILY—In selecting our stock we stopped only when a most exacting taste was satisfied in styles and fabric, while the garments here and there are strengthened and fashioned by the tailor's needle where machinery has not yet caught the cunning of the hand. Neither time nor pains were spared in selecting, and in selling we will act the same. WE WILL FIT YOU—the child, the youth, the man, from infancy to old age, in a style becoming to each and in a manner pleasing to mother, sister or wife. Same price to you as to your neighbor—one treatment to all.

Special Attention to Our Two-Piece Suits, The Regal Blue and the Regent Gray, \$7.50 to \$20

Straw Hats 50c to \$5. Our Furnishing stock provides everything for comfort and style. Trunks, Bags and Suit Cases—We offer the makes worthy of our guarantee. Each purchase subject to home approval. Your money back if it meets it not.

His brother, a few years his senior, has been still more unfortunate. He has had his leg broken once and his arm three times.

MEMORIAL SERVICES

Rev. G. W. Bunton's Sermon at Beechwood Last Afternoon

The Memorial Sermon at Beechwood Park attracted a large gathering yesterday afternoon, notwithstanding the threatening weather.

A trained chorus, conducted by Mr. Harry Richardson, rendered appropriate selections.

The meeting opened with the congregation rising and joining the choir in singing "America," after which Rev. C. P. Pilow invoked a divine blessing upon the assemblage and services.

Rev. G. W. Bunton selected for his text—Hebrews, Chapter XI, and 4th verse—"By faith Abel offered unto God a more excellent sacrifice than Cain," etc., from which he builded a sermon strong in spiritual matters and patriotic in essence.

He first addressed himself to the salvation of one's soul, pointing out the manner of life to live in order to win a home beyond the skies, then turning to historical events he spoke in glowing phrases of the valor and great services rendered by the American soldier and especially those of the Civil War.

His remarks indicated thought and research and were instructive and edifying throughout, retaining the undivided attention of his audience from beginning to end.

SERIOUS MISTAKE

Possible That Owensboro Authorities Hung Wrong Negro

R. N. White of Carthageville, Mo., is under the impression that he has captured Roy Green, who killed a white man at Owensboro two years ago.

He has written Sheriff Earl of Daviess county asking if the reward is still in effect for Green's capture, stating that he has located the murderer. A Negro supposed to have been Roy Green was tried, given a death sentence and hanged at Owensboro eighteen months ago, and the authorities are under the impression that they hanged the Negro who committed the crime.

DEEDS, NOT WORDS.

Maysville People Have Absolute Proof of Deeds at Home.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, For Maysville kidney sufferers, Have made their local reputation.

Proof lies in the testimony of Maysville people who have been cured to stay cured.

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciated the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

"THE TIME HAS COME,"
THE WALRUS SAID,
"TO SPEAK OF MANY THINGS"—
OF RIMS AND SPOKES,
OF BUGGY TOPS,
OF PAINTED GEARS AND SPRINGS.

The time is now opportune and the place is here. Come in and let us show you how the foremost manufacturers of vehicles have so cleverly combined rim, spoke, top, gear and spring as to turn out a job that is as near perfection as can be made. If you are thinking of buying you cannot afford to overlook our repository. We are always glad to see you, and shall take pains to explain all the points of the vehicle to you, that you may not buy with your eyes closed. We cannot afford to "do" you, as we expect to stay in business in Maysville the rest of our days, and therefore we cannot afford to lose one customer. Come in, and we will guarantee you a fair and square deal. Yours for "Greater Maysville,"

EAST SECOND STREET.

The Simpon tunnel was inaugurated by King Victor Emmanuel of Italy, who went to Briège on the Swiss side of the mountain. The royal train passed through the twelve miles of tunnel drawn by a steam engine, the electric motors not being ready. On reaching the middle of the tunnel at a height of 2,200 feet above the sea level, the King was heard to exclaim: "It is a cyclopean work, the result of half a century of study, seven years of work and the expenditure of nearly \$15,000,000."

River News

The gage marks 7.9 and falling.

The Virginia is scheduled to pass down this evening from Pittsburgh.

The Conroy, a Kanawha river boat, has had bad luck. She blew out two cylinder heads in less than ten days.

In the future, or until sufficient water arrives in the upper river, the Greenwood will follow this schedule: On Mondays and Wednesdays for Ashland; on Friday, for Huntington.

The distinction of being the first woman in Illinois to secure a license as river pilot and master is possessed by Mrs. Rose E. Watkins, wife of Captain George T. Watkins of LaSalle county, who received her certificate a few days ago.

The towboat Joseph B. Williams, which passed here a few days ago, will land at Middleport, O., and tie up for a rise in the river. The tow will also be taken care of along the banks until sufficient water comes to float empties and the boat having them in charge.

There has been quite a change in steamboat bells in the last few days. The Princess now has the New South's bell, the Levi J. Workum has the Princess's bell and the Levi J. Workum's bell will be placed on one of the Monongahela River Consolidated Coal and Coke Company's towboats.

Within the past few days, since the weather has again become so beautiful, the number of tourists making the round trip from Pittsburgh or Cincinnati is increasing continually, and, unless the boats are compelled to tie up within the next two or three weeks, they will all enjoy a good business.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

RAIN!

Delightful and refreshing rains have fallen upon the farms which I HAVE FOR SALE. The distressing drouth which was causing so much alarm to the agriculturalists is now a thing of the past. Vegetation will advance rapidly and we may yet have abundant crops. I have farms, the fertile soil of which with the proper amount of moisture will assure the industrious husbandman good returns for the time and labor expended. IF YOU HAVE ANY IDEA of buying a farm, you should not delay coming to see me in order to make the proper selection. If you wish to sell, now is the time to list for that purpose. I am receiving MANY INQUIRIES from parties who wish to buy, and doubtless this year will be a RECORD BREAKER in my branch of business. Come to see me at once.
